

Suspension posts SM and STM

Multipurpose suspension posts designed to connect working tools Ostraticky with tractor or another carrier. Suitable only for connection with lightweight working tools. Including hydraulic hoses and quick couplings, hoses length up to 250 cm.

suspension posts SM		order no.	
	suspension post SM - lift 60 cm - height 129 cm	SLOUPSM0	
	suspension post SM, fixed - with mounting flange - height 129 cm	SLOUPSMP	
	carrying arm SM-MM - mechanical side shift 41 cm - mechanical tilting +20°/-20°	RAMSM0M41M	
	carrying arm SM-MH - mechanical side shift 38 cm - hydraulic tilting +20°/-20°	RAMSM0M38H	
	carrying arm SM-HH - hydraulic side shift 32 cm - hydraulic tilting +20°/-20°	RAMSM0H32H	

supplements and accessories		order no.	
	bracket for carrying arm SM / flange S (for vine stem cleaner / mowing brush holder US)	CS312.501000	

suspension posts STM		order no.	
	<p>suspension post STM</p> <ul style="list-style-type: none"> - lift 60 cm, height 141 cm - hydraulic tilting +19°/-20° 	SLOUPSTM	
	<p>fork STM, fixed</p>	RAMSTM0000	
	<p>carrying arm STM-MM</p> <ul style="list-style-type: none"> - mechanical side shift 38 cm - mechanical tilting +18°/-18° 	RAMSTMM38M	
	<p>carrying arm STM-MH</p> <ul style="list-style-type: none"> - mechanical side shift 38 cm - hydraulic tilting +20°/-20° 	RAMSTMM38H	
	<p>carrying arm STM-HH</p> <ul style="list-style-type: none"> - hydraulic side shift 32 cm - hydraulic tilting +20°/-20° 	RAMSTMH32H	

supplements and accessories		order no.	
	<p>frame for 3-point linkage TBZ11N1</p> <p>(for front 3-point linkage cat. 1N by ISO 730-2)</p>	TBZ11N1	

Storing stands with wheels

For storage of equipment after season, dimension 120x80 cm, 2 fixed and 2 swivel wheels with brake, various design according to type of machine.

storing stands with wheels	order no.		
	<p>storing stand US - all machines on the suspension post US, also connected by TBZ11-US - PN1, PN2, ST, EF, PRO, PNP, etc.</p>	<p>CS669.201000</p>	
	<p>storing stand PNP - side-mounted machines on suspension post STS - especially for PNP, STS</p>	<p>CS669.202000</p>	
	<p>storing stand PNP/TBZ - side-mounted machines on suspension post STS connected by TBZ11-STZ - especially for PNP, STS</p>	<p>CS669.203000</p>	
	<p>storing stand STS - trimmer STS and another machines with carrying arm with parallelogram RAMSTSP</p>	<p>CS669.204000</p>	
	<p>storing stand STS/TBZ - trimmer STS and another machines with carrying arm with parallelogram RAMSTSP, connected by TBZ11-STZ</p>	<p>CS669.205000</p>
